## Class Notes

### Kindergarten

Melanie Durnan

Children's sight words this week are **says**, **had** and **made**. Our spelling sounds for this week are **oo** and **u** as in took and put as well as **oo** as in book.

This week in maths we are looking at sharing, counting patterns, surveying and money. Please keep encouraging your children to go on athletics and do activities when they can.

Adamiriginal came to school yesterday; children were really engaged with his story telling of different Aboriginal tribes around Australia, they also learnt a few indigenous words and songs.

There will be scripture this week but no peer support as year 5 and 6 are away on their excursion. Next Thursday the 30<sup>th</sup> is Grandparents Day, invitations will be sent out with all the information. They are able to come into the school, have a look around in the classrooms and do some activities with their grandchildren.

Monday is still kindergartens library day, unfortunately a lot of children are not bringing in their library books. If you could please remember to do this it would be greatly appreciated as there are a lot of library books overdue. Also, if you want to borrow from the town library over the holidays or at any time I have registration sheets in the classroom for anyone to collect at any time.

Gala DVDs and photos are available in the office for purchase.

Leaders this week are Lachlan and Harlan.

Happy Birthday to Eva-Leigh who celebrates her 6<sup>th</sup> birthday today.

### Year 1 / 2

Julie Clancy & Lucinda Eulenstein

Yesterday afternoon the students enjoyed the Adam Riginal performance which involved dance, singing, story telling and didgeridoo.

This week in maths the students are learning the language of chance (possible, impossible, certain). The student have to think about the chances of events happening, eg what is the chance of pulling a particular colour marble out of a jar.

The spelling focus this week is the 'y' as in yoyo sound. This sound can also be found in new and cube.

The students are completing their final copy of their acrostic poem this week and we will start to learn about the features of poetry.

Maths homework has been sent home today, apologies for it being late. All homework is due back on Friday so it can be marked. Homework which is not in by Friday may not be marked before it is sent out again on Monday. Please encourage your child to take responsibility for their homework and home reader.

Many students are coming to class without grey lead pencils. These are inexpensive and can be purchased from the school office.

NAME .....

Year 2/3

Joanne Malmo

I would like to extend a thank you to the school and wider community for supporting the inaugural raising  
of the aboriginal flag. The ceremony was simple, yet powerful, showing that Henty Public School is dedi-  
cated to reconciliation.

Last Tuesday we visited the newly refurbished town library and met the newest library resident, an owl!  
The owl is a gorgeous sculpture that has been gifted to the library and is purpose built to display books.  
The students were provided the opportunity to enter a competition for naming the owl.

We are trialling our new homework system this week. Due to the Maths Plus units being completed dur-  
ing school time, the students have extended literacy homework.

Our spelling phonemes this week are sh as in shop, ch as in chef and s as in sure and ch as chop and tch  
in watch.

Taleisha followed a procedure at home by baking scones. She shared photos of the procedure with us  
and explained the steps required to bake scones. I welcome more students to document a procedure  
they have followed at home.
