#### Possible Changes to the Publication of the Kalori

Discussion related to how often the Kalori is published was tabled at the P & C meeting last week. It was decided to obtain feedback from as many families as possible in our school community. Are you happy for the newsletter to be sent home on a fortnightly basis or would you prefer it to go home weekly? Is your family happy to receive an electronic copy of the newsletter? You are encouraged to complete the survey in this Kalori to allow staff to determine how regularly the parent body would like the school newsletter to be published.

### School Holidays

Mrs Alison Campbell visited the classroom today to talk to the students about the role of the Henty Catering Association with the Henty Machinery Field Days and how various aspects of catering have dramatically changed over the past fifty years.

The disco will be held on Wednesday night and students are asked to bring a small plate of food to share and a gold coin donation. All money raised will support the annual year 5/6 excursion.
