Principal's Message

National Numeracy & Literacy Week

All students will complete additional literacy and numeracy activities this week to celebrate this national event. Parents are invited to participate by attending information sessions on Thursday afternoon. 30 minute sessions will commence at

3:30pm and 4:00pm. Mrs

Liston will present literacy sessions providing tips and strategies to support your child's home

reading and Mrs Clancy will present numeracy sessions enabling parents to understand how numeracy is taught at school and how parents can support their children at home.

Thank You

Last Friday students, staff and parents enjoyed the Bernie O'Connor Football and Netball Carnival. The day would not be possible without the support of parents who coached our teams and assisted the students on the day. You are all appreciated for your dedication and we value your commitment.

Regards, Theresa

Melanie Durnan

A big thank you to Joanne Malmo for all that she did last week while I was sick. I am feeling much better and ready for the rest of the busy term.

Our sight words this week are **shop** and **if**. I have sent home last week's sight words and this week's sight words. Children are thoroughly enjoying buddy reading and getting time afterwards to play games with their buddies.

Our sounds for this week are **ch** and **sh**, words with these sounds are on homework sheets. In maths we are looking at subtraction from eight, equal groups, chance and time.

This week is our schools book week. On Wednesday and Thursday morning the art room will be open for parents and children to come in and buy books and have a look at the fair. Friday afternoon at 2pm is our Book Parade. It is not a competition, just a chance for children to enjoy books and dress up as their favourite character.

Our leaders this week are Ryan and Eva-Leigh.

Year 1 / 2

Julie Clancy & Lucinda Eulenstein

This week is a busy week as we celebrate Book Week & National Literacy & Numeracy Week.

The Book Fair will be held on Wednesday and Thursday. All students will have an opportunity on Wednesday to wander through the book fair when it is set up to have a look at what they might like to purchase. There will be more specific information within this Kalori about specific times the Book Fair will be open.

On Thursday the students will be completing Literacy & Numeracy activities. Parents are invited to the information sessions after school which will focus on Literacy and Numeracy activities which can be easily completed at home. We hope to see lots of parents there.

Friday is a very special day for the students as they are invited to come in costume. Students can choose any book character for this. The parade will be on at 2 pm and parents, grandparents, family and friends are all invited.

The sound for the week is 'er' as in fern. It can be made using the spelling choices 'ir' as in shirt, 'or' as in worm or 'ur' as in hurt.

In maths this week we are focusing on telling the time. This is often a difficult concept so please encourage your child to read both digital and analogue clocks regularly.

Sport

Bernie O'Connor: A huge thank you to all the coaches and assistants on Friday at the Bernie O'Connor. Congratulations to the Junior A Division Netball for taking out the top honour these girls were coached by Tania Corrigan and the Junior B Blue team coached by Heidi Weston for coming runners up in their division. A fantastic effort by both teams. If anyone has any photos they are willing to share Miss Ross would love them to include on the school website. Please email to the school or drop in on USB to the office. A special thank you to all the players who assisted other teams and the boys who helped make our netball teams so diverse.

Keeping our School Tidy

A huge thank you to Geoff
Roulston and Patrick Kane
for removing graffiti from
the footpath at the front
of the school. It was an
extremely difficult task
and the concrete needed
to be grinded to complete
the job. It is disappoint-
ing for this to occur within
our community.

Asthma Plans if you were required to do so *****

PREMIER'S READING CHALLENGE

Congratulations to the all the 72 students who have completed the Premier's
Reading Challenge for 2014: We will be celebrating your achievements in Week
8 with a library party. Please see the notice board in library for a list of all
completed participants. Thank you to Annie Welsh for her kind donation of
books to our school library.

WANTED

The school requires a number of eye masks (aeroplane sleeping masks) and old
headphones (not earphones) that no longer work. If you have any at home,
could you please send them to school. Also, does anyone have a working ipod
(or similar) that they no longer need or use? **Joanne Malmo**

Year 2/3

Book week is upon us!

This Friday our class along with the rest of Henty Public will be taking part in book week celebrations.
This year's theme is "book fair garden- catch the reading bug". This is always a fun day and there is sure
to be some great costumes on show. The book week parade will begin at 2pm. Remember: no football gear
as we also have footy colours day coming up next week.

Our Wednesday dance lessons with Teneal continue to be a success. Our performances of "The lion
sleeps tonight" and "Can you feel the love tonight" are sure to be highlights during gala night and the cos-
tumes for these pieces are starting to take shape. We will be taking part in some extra practices during
class time to make our performance as professional as possible.

Congratulations to all our students who took part in the Bernie O'Connor carnival last Friday. Your behav-
ior and enthusiasm on the day was exemplary and I'm sure everybody had a great day. Special congratula-
tions must go to our junior girls netball teams who made grand finals with the junior girls A grade side
coming away as champions.

We continued our ICT unit this past week by looking at a website called story maker. This site is interac-
tive and allows students to create scenes, characters and actions with the software writing the story as
you go along.

Please ensure that your child has all essential items to allow their day to run smoothly, i.e. lead pencils,
rubber and sharpener. When students don't have these items, it can impact on their learning time.

Our graphemes for this week are oo as in book and u as in bush.

Happy birthday to **Harry** this week!! This week our class leaders are **Jada** and **Blake**.

Year 3/4

Emma Byles

Firstly congratulations to our junior debate team - Paddy, Saige, Heidi and Isabel, who had a
win against Holbrook last Thursday. Secondly, a huge CONGRATULATIONS also to ALL the
children who participated in the football and netball at Yerong last Friday. It was really fantas-
tic to see everyone doing their best and enjoying the experience. I'm sure the perfect weather
also added to the fun of the day!!!

Our spelling focus for this week is oo u in book bush. In maths we will be working on solving ad-
dition problems, identifying fractions, testing the rigidity of shapes and measuring using the
square metre. Remember that some of the amazing descriptive writing created by children in
our class is still on display in the front foyer, so please drop in and have a read if possible.

This week we are celebrating book week. There will be a book fair on in the art room on
Wednesday and Thursday and we will have our book parade on Friday afternoon at 2:00pm.

Once again if you have any question or concerns please feel free to drop by the classroom. We
have yet another busy term ahead of us so please remember to check the Kalori each week for
important dates and up and coming school events.

Class Notes

Year 5

Claire Ross

Congratulations to the Parrots Premiers Debating team for their successful debate last Thursday against the Henty Swans. Charlie, Tara, Hannah and Joely have now progressed to the next stage in the competition.

Well done also to Toby and Imogen who debated last week against Holbrook Public School, unfortunately going down in a close debate. Zaid also needs to be congratulated for delivering an informative speech on the Gold Coast.

This week the Book Fair will be set up for families to purchase or donate books. Please see information in the Kalori for dates and times.

On Friday we will be holding our book week celebrations with a book parade starting at 2pm. Students are encouraged to come dressed in costume as a book character.

It is National Literacy and Numeracy week this week. Students will be involved in a range of activities in the classroom throughout this week. Parents are reminded that Mrs Liston and Mrs Clancy will be holding parent information sessions regarding literacy and numeracy this Thursday. Come along and gain a few tips to use at home with your children.

Costume information for Gala night was sent home today. If you are unsure about what your child requires please do not hesitate in contacting me at school. Tickets for the Lion King went on sale yesterday and are selling fast. Please ensure you get in early so you don't miss out! The children are working hard to ensure it is an entertaining show.

Homework this week involves students making a brochure to advertise their destination.

Year 6

Theresa Kane & Joshua Jones

It's a busy classroom in year 6 as we work towards the end of the term. In Maths we will be covering mental strategies for adding and subtracting numbers of any size and calculations involving more than one operation. We will also be revising translating, reflecting and rotating two-dimensional shapes and methods for conducting surveys, recording data as fractions as well as percentages.

In English we will be finalising poetry before moving on to fictional descriptive writing. In History we are continuing our exploration of life on the Australian goldfields. We will be investigating energy consumption in Science. Finally, we will be continuing our development of our gala dance and play.

Don't forget this week is book week and there will be books available for purchase at the school from Wednesday. There is also a book week costume parade on Friday.
