

## Principal's Message

### What's on at HPS?

School Cross Country	27/3
Paul Kelly Cup	30/3
Combined Schools Easter Service	1/4
Last Day Term 1	2/4

### Whooping Cough

There has been two confirmed cases of whooping cough at Henty Public School. All families have received a Health Dept. Information fact sheet. Parents and families are advised to please seek medical advice if they have a child unwell with a cough or any concerns relating to this issue.

### Our School Continues to Grow

We welcome Codie and Tyler Watson and Levi, Noah and Jasmine Tuala and their extended families to our school. This takes our total enrolments to 130 students and enables the formation of a sixth class. This is exciting news for our school. Students will commence in their new class tomorrow.

Miss Durnan - Kinder / Year 1

Ms Byles & Mrs Brand—Year 1/2

Mrs Malmo - Year 2/3

Mrs Clancy & Mr Pickett - Year 4

Mrs Liston - Year 5

Mrs Kane & Miss Ross - Year 6

### We Welcome Mr David Pickett

Mr Pickett will teach Year 4 with Mrs Clancy. He will work three days each week. He will visit our school next week and commence at the beginning of Term 2. We extend a very warm Henty welcome to him.

**Regards, Theresa**

**Mission Statement:** Quality Teaching, Quality Learning for all in a safe, happy and supportive environment.

## Kindergarten / Year 1

## Julie Clancy & Melanie Durnan

The sounds this week are **c** and **k**, year one will also be focusing on qu, ck and x that can make the same sound. Year one are up to list 7 sight words this week and kindergartens words are **I**, **this** and **had**.

A reminder that children's home readers and sight word books need to be in each day, this is so they can be changed and sight words can be practiced.

We have finished our fractions and decimal work for this term and move onto Patterns and Algebra. Kinder will focus on shape and colour patterns, whereas year one will extend their knowledge to understand number patterns.

Friday is our second last week of tennis, child have been thoroughly enjoying learning with Karen and have made some great progress.

Our leaders this week are Sammy and Natalie.

## Year 1 / 2

## Emma Byles

Well done to everyone who dressed in their orange to celebrate Harmony Day last Friday. There were also plenty of red faces that returned from the walk of the cross country course. Hopefully this Friday is kind with the weather for the running of the cross country for all children turning 8years +.

### Week at a Glance

Monday -

Tuesday - Art with Mrs Fraser

Wednesday - Scripture and Assembly (Even weeks)

Thursday - Library with Mrs Eulenstein

Friday - Tennis Year 1/2 at 11:45am, 8years + Cross Country

Our spelling this week is **o a** in **orange** **wa**ch. There have been some great results in our Friday test. Children who now have 10 words to spell will now receive two challenge words to learn each week. These words are as they sound - words using the grapheme focus but just a little more sophisticated.

In maths we will be counting on for addition, identifying half and quarter fractions, investigating the chance of events as either likely or unlikely and measure length.

**REMINDER:** All children need their own grey lead pencils, colouring equipment, glue, rubber, ruler sharpener and scissors if possible. It certainly makes a difference when everyone has the necessary tools to complete various tasks.

**DATE TO REMEMBER:** Friday 27<sup>th</sup> March, children turning 8years +, school cross country.

## Year 3 / 4

Joanne Malmo

I would like to extend a warm welcome to Jasmine Tuala into our class. We hope Jasmine and her family enjoy their time at Henty Public School.

The students have put in an excellent effort with their projects. The posters and models are well researched and we look forward to inviting families and students to our exhibition, TBA. Our science unit, Built Environment, requires the students to visit purpose built facilities and to recognise design features that suit this purpose. At the town library we interviewed Susan Kane who explained the reasoning behind the floor plan, colour schemes etc of the renovated library. We also, visited the pre-school and Mrs Abi Meyer helped us explore the design features of this space. We will culminate the unit by exploring our school and discovering any design limitations that can be found in the older buildings.

This week will be the last week of homework. Those students who have had a perfect return rate, will be invited to a hot chip lunch next Wednesday. It is important to reward students who show consistency and excellence.

The school cross country is on Friday, please read the sport notes for the time. The students are encouraged to wear their house colours, the clothing should be suitable for this event.

The Year 4 students are still enjoying the band sessions each Tuesday and are encouraged to take their instruments home for regular practise.

Please ensure that your child has all school requirements including, lead pencils, gluesticks, rubber, sharpener and ruler.

Our leaders are Josslyn and Madi

## Year 4 / 5

Mary Liston

Our class has commenced writing narratives and we are focussing on the structure required to complete a narrative. Please discuss this with your child to assist in reinforcing what they are doing in school.

I am sure you have heard that we took our protests down the street on Friday and we got the chance to witness how effective our persuasive texts were.

An extra note on our Anzac silhouette activity for homework, it is not meant to be a complicated task. Using an A4 sheet students use another contrasting colour to create an image representing the Anzac legend. We have spoken about it in school this week so hopefully all students understand the requirements.

There will be art, library and tennis this week, please bring the necessary books and equipment for these activities.

This week will see many changes in our class structures, as outlined on the front of this Kalori. This means that we say farewell to our Year 4's and wish them well in their new class. We hope they have enjoyed their time in our room as much as we have enjoyed their company in ours. We welcome the 6 Year 5's who will be re-joining us, the Year 5 students are very excited to be reunited.

# Class Notes

**Year 5 / 6**

**Theresa Kane & Claire Ross**

**The week ahead:**

**Tuesday-** Band & Art

**Wednesday-** Scripture

**Friday-** School Cross Country

The school cross country will be held this Friday. Please come in your house colours or sports uniform. If parents are able to assist on a check point please contact Mrs Liston or send a note with your child. Please see sports notes for further details.

Congratulations to Nicholas and Samuel on progressing to the next round of AFL trials. It was a pleasure to take Year 6 on the Peer Support camp last week. We were able to learn and practice some great leadership skills whilst having some fun down at the Great Aussie Resort. Year 6 are now ready and willing to take on the Peer Support program which will commence next term. Please see some photos later in the Kalori.

Homework this week involves using PowerPoint to make a presentation of the students chosen WW1 Veteran. We will be working on this in class as well as using our homework time to complete the task. Please bring the presentation on a USB to continue working on it during History lessons. Please see Miss Ross if you have any queries with this task. Have a great week.

## NSW PREMIER'S READING CHALLENGE

The NSW Premier's Reading Challenge (PRC) is an initiative of the NSW State government. It aims to encourage in students a love of reading for leisure and pleasure and to enable them to experience quality literature.

It is not a competition but a challenge to each student to read, to read more and to read more widely.

Your child has been given a personal reading log, which can be returned to the Henty library when completed.

All the children whom complete the Premier's Reading Challenge by 21st August, will be given a celebration party.

Lucinda and Sue

Preston, Nick, Charlie, Toby and Samuel at the Eastern Riverina AFL trials last Friday. Congratulations to Samuel and Nick who have made it on to the Riverina Trials.

## Cross Country 2015

We are seeking volunteers to assist with the cross country this Friday, March 27<sup>th</sup> at the Henty Golf Course. It will start at approximately 1:30pm. Helpers to meet us at 1:15pm on Friday at the course please. You will need to stand at a point on the course and direct students on, course will marked with cones etc.

### Cross Country Volunteers- Friday 27th March

I \_\_\_\_\_ can assist with the cross country on Friday.

Please return ASAP to school office.

Please bring a chair.

### Year 6 Peer Support Camp

A great time was had by Year 6, Mrs Liston and Miss Ross last week at the Great Aussie Resort. Year 6 learnt and practised a variety of leadership skills including; communication, team work, assertiveness and also led a session of Peer Support.

A big thank you to the Henty Rotary Club for their kind donation towards our camp. The Peer Support Program will commence next term.
