

Principal's Message

What's on at HPS?

Year 5/6 Art Excursion to Wagga	28/5
Netball Knock out	29/5
Asthma Awareness Workshop	1/6
National Reconciliation Week Activities	2/6
SR Athletics Carnival	4/6

Asthma Awareness

Next Monday all students will attend an asthma awareness workshop conducted by Mrs Judy Wetternhall, asthma educator.

Interested parents are invited to attend a session in the school library at 2:45pm.

Sorry Day & National Reconciliation Week

National Sorry Day acknowledges and raises awareness of the history and continued effect of the forced removal of Indigenous Australians.

National Reconciliation Week is focusing on how Australians can better recognise each other and recognise the contributions, cultures and histories of Aboriginal and Torres Strait Islander people. As part of our recognition of these significant events all students K-6 will participate in activities on Tuesday 2nd June culminating in a whole school dance.

There will be a free sausage sizzle lunch.

Stage 3 students will be attending the Ngulagambilhanha (to be returning home) art printmaking workshop in Wagga. Students will view indigenous print making artist, H J Wedge. They will also experiment with the process of printmaking. The Wiradjuri language will be introduced and explored further.

Infants Athletics Carnival

Last Friday all students under 8 years of age and enthusiastic parents participated in the infants annual carnival. Please visit the school foyer to view the photographs that captured the fun had by everyone.

Thank you Mrs Brand and Miss Durnan for their excellent organisation.

Regards, Theresa

Mission Statement: Quality Teaching, Quality Learning for all in a safe, happy and supportive environment.

Communities

Class Notes

Kindergarten / Year 1

Melanie Durnan

Our spelling focus this week for kinder is s ss as in sun and dress; year one are discovering at the sound i_e as in like. Kindergartens sight words are dad, my and did; Year One's words are list 14.

Our maths topic the next two weeks is multiplication and division, focusing on groupings. This week we are continuing to focus on time.

Library and art is this Tuesday, scripture is Wednesday and there will be an Assembly this week.

Thank you everyone that supported the Nepal day last week and brought in a gold coin, a lot of money was raised which will go straight to assisting efforts overseas.

It was wonderful seeing so many parents and grandparents at our junior athletics carnival enjoying the afternoon. The participation from the children was exceptional and was great seeing so many smiles on faces.

Thank you to those parents and children who have brought in headphones/earphones to the classroom to use when accessing reading eggs. To use the site to its full potential children need to be able to hear which is difficult when 20 other children are accessing it at the same time.

Please ensure that all children have what they need to complete their work at school. This includes lead pencils, rubbers, sharpeners, glue sticks and coloured pencils.

Our leaders this week are Joshua and Eva-Leigh.

Year 1 / 2

Emma Byles, Jolonna Brand

Well done to all the 5, 6 and 7 year olds who participated in the junior athletic events last Friday. It was encouraging to see everyone having a go. Thankyou to the parents, carers, siblings and visitors who came to cheer the children on. Your support is greatly appreciated.

Week Ahead

Monday	PD/Health
Tuesday	Art (Mrs Fraser)
Wednesday	Scripture, Assembly
Thursday	Library (Mrs Eulenstein), Peer Support
Friday	Sport

Once again congratulations to those children who have been completing their home learning tasks and remembering to read every night and complete their news plan.

In spelling we are focusing on m mm mb in moon hammer thumb. In maths we will be working on addition and subtraction, continuing counting patterns, identifying and describing features of 2D shapes and displaying and interpreting data in graphs.

Just another reminder - every child needs to have grey lead pencils and glue to complete classroom learning tasks.

Congratulations Katelyn and Glenn who were our excellent classroom leaders last week.

Class Notes

Year 2/3

Joanne Malmo

This week, we will begin focussing on the theme for National Reconciliation Week, 'It's time to change it up'. The students will be engaged in reading dreamtime stories and exploring the themes and messages entwined in these narratives. We will also be learning some dances that are featured on the official website, <http://www.reconciliation.org.au/nrw/>

The Multicultural Perspectives Public Speaking Competition will be held at school on Friday June 12th. All students in Years 3-6 are required to present a speech on this day. Preparation for the speeches will form part of the students' homework for the next week and is due this Friday. Next week, I will allocate days for the students to present their speech to the class. The presentation of their speech will form part of the speaking and listening assessment for term 2. All necessary information has been sent home with the students. Please feel free to see me if you have any queries.

The focus phoneme (sound) for this week is m mm mb as in mum, summer and comb. The students are fully engaged in the Reading Eggs program, it's a great reading tool. The students are welcome to use the program at home, they all have spare log on cards (user name and password) to bring home.

Please ensure that your child has all the essential items in their pencil cases, i.e. lead pencil, rubber, sharpener, ruler and earphones/headphones.

Leaders: Taleisha and Lashae

Happy birthday to Taleisha, Jonny and Anka.

Year 4

Julie Clancy/ David Pickett

The term is really flying along and the students are doing a lot of great learning that is really challenging their knowledge and understanding, and creating new thoughts and ideas.

In Literacy, the focus for spelling is on the "e ee ey y" sound (as in bee) and identifying when consonant letters make the "e, ee ey y" vowel sound - y as in pony. In writing, we have started planning text, with a purpose of passing on to the reader a lesson on values, culture or morals. In Reading, questioning will be the focus. Questioning what the text type is; questioning what could happen next in the text, and questioning the actions and roles of character/s in text.

In Maths, there is great excitement regarding the garden design project with Mrs Clancy. In number, the lessons will look at multiplication and division, and their inverse relationship.

Well done to everyone doing their homework and handing it in on a consistent basis. The homework is designed to continue on with the work that has occurred in the classroom. It's great to see the parental involvement, as this is very helpful in the development of your child.

Leaders: Tahlie & Henry

Happy birthday to Tristyn (25th) who turned 10 on Monday

Class Notes

Year 5

Mary Liston

All students in Year 5 and 6 will be travelling to Wagga on Thursday for an Art excursion. Thank you to Mrs Fraser for organising the excursion and we are looking forward to trying out the print making.

We have commenced our multicultural speaking and the speech is due in for all students by Friday. It is nice to see students choosing some of the new topics put forward this year.

Library and Art this Tuesday, Scripture and Assembly are on Wednesday and there will be Peer Support upon our return from Wagga.

Thank you to the SRC who organised the mufti day in support of the Nepalese earthquakes. Our students really do show our school values in so many ways.

In Science students have chosen an area or building in the school to redesign and put forward structural changes that they believe would benefit those that use the building or facility. This is part of our unit on Built Environments and making a case for change.

Students who are attending SR Athletics on June 4th received their note yesterday with a list of events they are participating in. Please use this note if you need to contact other families about the carnival and transport.

A reminder again that many students have run out of basic requirements for class work, such as pens, pencils, glue sticks for their work. Please check with your child and ensure they have the items they need, thank you.

Year 6

Theresa Kane & Claire Ross

The week ahead:

Tuesday: Band

Wednesday: Library, Scripture & Assembly

Thursday: 5/6 Art Excursion, Peer Support

Friday: Netball Knockout in Henty (selected students)

As stated in last week's Kalori students are now able to access the computer program Reading Eggs. Each student has an individual login and this can be accessed at home as well as at school. This program supports a wide variety of literacy strategies including; reading and comprehension.

To support this program in the classroom it would be great if all students could bring in a set of headphones for individual use. Thank you

During Science, students are forming a project based on changing aspects of a building or place for example; house, school, or sporting facility. If possible, could students please bring in their own iPad & iPod as we will be using a free app called Room Planner. These electronic devices can be kept in the office until we are using them in class and can be taken home each day.

Multicultural Speeches are the focus for homework this week as well as home reading and spelling. These speeches have been discussed in class and students should be well on their way to completing this task. Just a reminder that homework is handed out on a Friday and due back in each Thursday.

Please see the sporting notes for details of the Southern Riverina Athletics Carnival which will be held next Thursday June 4, 2015 in Albury.

Have a good week.

Community Notices

BORDER MUSIC CAMP

Applications are now open for the 41st Border Music Camp which is being held in Albury from Sunday 28th June to Saturday 4th July. The camp is a week long residential camp for around 240 musicians of all ages, from beginners to advanced students. Musicians play in one of six large ensembles, experiencing rehearsals and tutorials each morning under the guidance of the camps skilled Conductors and Tutors. In the afternoon students can choose from a number of small groups in the "elective sessions" where they will experience a wide variety of music which can include jazz, choir, big band, celtic music, string ensemble, experimental music and more. Musicians travel from across Australia to take part in Border Music Camp's unique opportunity in music education.

Children have a choice of living in the camp or attending for mornings only or for short or long day sessions. The camp will conclude with public concerts on Friday 3rd and Saturday 4th July.

The closing date for applications is Friday 5th June. More information is available from www.bordermusiccamp.org.au or contact Ms Margie Gleeson after 6pm (0412 711 819). There is also an information sheet available from the school office.

Vintage Fire Engine
on display

'Come along and meet
your local Firefighters
and ask how to keep your
family safe this winter'

ASSEMBLY

There **WILL** be an assembly tomorrow.

**THERE WILL BE OBSTACLES.
THERE WILL BE DOUBTERS.
THERE WILL BE MISTAKES.
BUT WITH HARD WORK,
THERE ARE NO LIMITS.**

FRUIT BREAK REMINDER

There are many children coming to school each day without fruit for fruit break. Please make sure that your child has a piece of fruit in their lunch box every day.

Canteen Roster

Canteen Co-Ordinators
are Alison Baldock &
Mary-Anne Scott.

Term 2

1/6: Debbie Klemke

15/6: Teneal Jones

22/6: Susan Kilo

Please note that there will be **NO** canteen on Tuesday 9th June after the long weekend.

Term 3

20/7: Kirsty Brennan

27/7: Cindy Scott

Nutrition Snippet

The simplest way

...to pack a creative lunch box!

Don't feel like you have to send the same old vegemite sandwich every day. Here are some of our best tips for making lunch boxes interesting for you, and your kids!

- **Make fresh spring rolls** – they're great for dinner and can be used as leftovers, too! See eatittobeatit.com.au for a free recipe
- **Cut vegies into thin sticks** – send with a small container of hummus
- **Make a fruit salad** – dice whatever fruit you have into small pieces
- **Make a roast vegie sandwich** – leftover roast vegies are delicious on fresh bread
- **Add fruit to yoghurt** – split a large tub of reduced-fat yoghurt into small containers, and add pieces of fruit for a sweet twist.

For more information visit
www.eatittobeatit.com.au
or join us at facebook.com/eatittobeatit

BAND FEES REMINDER

Term 2 band fees are now overdue. If your child's band fees are not paid for they will not be permitted to take their instrument home to practice. There are also many children who have needs to pay for as well. The cost per reed is \$5.00. Please arrange payment to the office ASAP. Thank you.

SRC NEWS

On Wednesday 10th June the SRC will hold a disco.

Today the SRC voted and the theme is:
'What you want to be when you grow up'.

More information to come in next weeks Kalori.

Thank you to everyone who donated to the Nepal fundraiser. We raised a total of \$234.

Thank you

Sport

Netball: Congratulations to Imogen Jones who was selected in the Riverina Netball Team, last Friday in Wagga. Imogen will now travel to the state carnival in Tamworth in July. Well done Imogen, another state representation in sport.

Netball Knockout: This Friday the girls' netball team will play two rounds of knockout netball at the Henty courts. Our first round is against Holbrook and we will have to wait to see who we play next round. Good Luck to all the girls participating and thank you to Teneal Jones who is our umpire for the day.

AFL: Samuel Male and his team members performed very well at the state AFL competition last week in Sydney. The team reached the grand final, only losing once to the overall winners. They did reduce the margin by 30 points in the final. We received some very positive and complimentary remarks about Samuel and his sportsmanship; a great ambassador for our school.

Dear Principal,

The Management of the Riverina PSSA Australian Football team wishes to inform you of the outstanding achievement of one of your school's students, Samuel Male.

As a member of the Riverina PSSA Australian Football Team which finished 2nd at the State Championships, Samuel is to be commended for his excellent sportsmanship, team spirit and cooperative behaviour on and off the field, whilst competing at the NSW PSSA Carnival in Blacktown, recently.

Samuel was truly a credit to his school and his family. We believe he showed himself to be an outstanding young ambassador for your school and our Riverina Region. Please bring this letter to the attention of your Staff, School Council, together with his family.

Yours sincerely,

James Burgess Coach

Jason Hallandale Manager

SR Athletics Carnival: Our next carnival will take place at Alexandra Park in Albury on Thursday 4th June. Students received their notes and information yesterday. Please contact Mary Liston, Sports Co-Ordinator, if there are any queries or concerns.

Date	Event	Location
29th May	Netball Knock Out	Henty
4th June	SR Athletics Carnival	Albury
11th June	Riverina Cross Country	Gundagai

READING EGGS PROGRAM

Reading Eggs is a unique online world where children learn to read. It supports each child's learning by offering individual, one-on-one lessons that allow children to progress at their own rate. Reading Eggs makes learning to read interesting and engaging for kids, with great online reading games and activities.

Children love the games, songs, golden eggs and other rewards which, along with feeling proud of their reading, really motivate children to keep exploring and learning.

The whole school has commenced this program and every class will participate in their reading groups. Each child will be given login details and children can even access the program from home.

Please see Mrs Clancy, your class teacher or go to readingeggs.com.au for more information.

FUN TIMES AT THE INFANTS ATHLETICS CARNIVAL
