Staff Development Day

Staff completed professional development directly related to **learning intentions** and the **classroom observation and teacher mentor program** being implemented at the school. Teachers will commence peer observation this week. This process will involve constructive feedback from colleagues to enhance and develop further professional development and practice.

Our Sincerest Condolences

Staff and students at Henty Public School extend their sympathy to the Morison family on the loss of Mrs Joan Morison. Mrs Morison was a teacher at Henty Public School for a period of twelve years, from 1979 to 1982, a scripture teacher at both Henty Public School and Billabong High School and an active member of the Henty Public School P & C.

Staff and school captains attended the funeral service yesterday as a sign of respect and recognition of Mrs Morison's ongoing and life-long support of the school.

Regards, Theresa

Kindergarten / Year 1

Melanie Durnan

Welcome back everyone to term 3! I hope that you all enjoyed your holidays and are ready for a busy term.

Our sound focus in kindergarten this week is **ch** as in chicken, Year One will focus on **oa** as in boat. Kindergartens sight words are **like, me** and **cat**; Year One's words are in **list 18**.

This week and next we will be focusing on whole number in mathematics, this week we will investigate data.

Art and library will continue to be on Tuesday mornings this term, the same as last term.

As our Gala performance is at the end of this term we will be doing dance as our sport. A day is yet to be allocated for dance, we will inform you as soon as possible.

If you have not done so already, please download the school app. Through the app you can send absentee notes, check kalori and any notifications of changes to school routine are put up.

Year 1 / 2

Emma Byles, Jolonna Brand

Welcome back to Term 3!!! I hope everyone had a safe and enjoyable break. Thank you to all the carers and parents who could attend parent interviews at the end of last term. It was great to catch up and have a chat about your child's progress. Please remember that our classroom door is always open to discuss your child or any questions or concerns you may have.

Week Ahead

Monday	PD/Health
Tuesday	Art (Mrs Fraser)
Wednesday	Scripture
Thursday	Library (Mrs Eulenstein)
Friday	Sport

This week I encourage all children to resume their home reading and continue to write nightly reading into their home reading log. All children will also be welcome to share their news this week, no news plan is necessary.

Next week all home learning will resume. There will be a couple of changes with compulsory and additional learning tasks for the children to work on. More information about home learning will be provided next week.

This week we are straight back into our classroom learning with no real changes to our timetable. In spelling we are focusing on **ar** and **a** in star glass. In maths we will be working on making equal groups and multiplying by ten, identifying and continuing number patterns (forwards and backwards), describing the properties of 3D shapes and measuring mass.

Thankyou to the carers and parents who have also continued to supply their child with the equipment needed (especially grey lead pencils!!!), to complete classroom tasks. It really makes a huge difference when a child is organised and they can focus on the task at hand.

Year 2/3

Joanne Malmo

It's great to see everyone returning to school feeling refreshed and ready for another term. Term 3 is always a busy term as we prepare for the annual Gala Night to be held in week 9. Dance lessons will begin next week.

Of course, we will be continuing with our usual learning activities, including Science and PDHPE. Our Science focus this term is Information Technology. We will be exploring ways that technology assists us in our everyday lives and the students will be learning to make a video and create a small presentation using Windows Movie Maker. In PDHPE our unit is Child Protection and we will be learning about protective strategies when in a threatening situation. The students will be given the opportunity to analyse situations, identify feelings and to explore alternative courses of actions and their consequences. Focus areas include teaching and learning in the areas of safety strategies, assertiveness and talking about concerns. If you would like to know more about these topics, I would be more than happy to chat with you.

Lucinda Eulenstein will be teaching Geography during Library this term.

Homework will begin this week and once again the students will be rewarded for returning completed homework each Friday. Our writing focus is describing and this includes learning how to create an information report as part of their homework tasks.

If you were unable to attend the parent/teacher interviews last term, please contact me and I will make a time in the next few weeks.

Classroom leaders for this week are Hannah and Sam.

Happy Birthday to Amarlie for the 5th July.

Year 4

Julie Clancy/ David Pickett

Welcome back everyone. We can't wait to start the new term and we hope everyone had a relaxing holiday.

In the first week back we will give homework a miss due to a revamp of the homework activities. We encourage that you listen to your child read for 10-15 minutes, at least 4 times this week.

In spelling, the students will be learning about the p (as in pig) and r, wr (as in wrist) sounds. We will be looking at wrapping up our writing unit on storytelling and moving into reportbased writing texts. Sequencing will be the focus during reading sessions (students remember: you are allowed to log onto Reading Eggs from home using your school login).

In maths, we will be looking at reading whole numbers and identifying the place value of a digit in large numbers.

David & Julie

Class Notes

Year 5

Mary Liston

Welcome back to all students and we hope you had an enjoyable break, ready to go again. Our homework task this term will be a project based one and students have already received it. The first task is due in Week 2. We will be revisiting the requirements on a regular basis and there will be some class time allowed for research.

This term will be our Gala production and we will be commencing dance lesson this term as part of our PDHPE syllabus and in readiness for dance presentations in Gala shows.

Could all footballers from the Tony Lockett please return their football jumpers to me as soon as possible.

Our sport preparation this term will have a focus of football and netball with the Bernie O'Connor which will take place on August 14th.

In literacy, the focus for the term will be Descriptive texts which will include factual and literacy descriptions, information reports, narrative, personal response and review.

Choir will now take place in school time. It will occur every second Wednesday on odd weeks from 2.50 to 3.25pm. If you are interested please make sure you return the note in this Kalori as soon as possible.

Year 6

Theresa Kane & Claire Ross

Welcome back to Term 3!

I hope you had a relaxing break. Lots of opportunities for Year 6 this term including; debating, sport and our Gala production.

The week ahead:

Tuesday- Band

Wednesday- Library, Scripture, Premier's Debating (selected students)

Friday- Sport

Dance lessons will commence this term. More information to come during the week.

Good luck to Tara, Charlie, Preston & Hannah on Wednesday in the next round of the Premier's debating. Mrs Kane will accompany the team to Uranquinty.

Good luck to Imogen Jones who will represent Riverina at the State Netball Championship next week in Tamworth.

There will be no homework this week, our weekly homework routine will begin again on Friday.

Just a reminder that all students need to come to school equipped with pens (blue/black & red), lead pencil, rubber and ruler.

If you have any queries or questions regarding the term please don't hesitate to contact me at school.

MOVIE X+Y Media Release

Aspire Support Services would like to announce the exclusive showing of the Movie **X+Y** at the Regent Cinemas in Albury on Wednesday the 22nd of July at 7.00pm with a light supper available from 6.00pm.

X+Y follows Nathan; a teenager with Autism Spectrum Disorder who suddenly has to deal with the death of the one person who understood him; his father. As he struggles to connect with those around him, he is introduced to an anarchic and unconventional maths teacher who takes him under his wing. Soon Nathan finds himself selected for the UK Mathematics Squad and,

against the odds, representing his country in Taipei. Nathan's rational brain can cope with the most complex maths problems just fine, the real test comes when he meets his female exchange partner, and has to cope with falling in love; the most irrational thing of all.

This screening of the Movie **X+Y** is open to the general public to raise the awareness of Autism Spectrum Disorder in our community.

Cost of the movie is \$25 which includes a light supper before hand.

Tickets are available from Aspire Support Services offices at 220 Borella Rd, Albury and 4 Footmark Court, Wodonga.

Direct Deposit is also available upon request.

On the last Thursday of term, some of our Year 5 & 6 students participated in the Tony Lockett Shield. The children had a great day and ended up coming third overall.

Parent Teacher Interviews

Thank you to those parents who attended the parent / teacher interviews last term. If you did not have an interview with your child's teacher and/or require a follow-up interview please contact your child's teacher. We would appreciate your feedback to support the parent / teacher interview process at the school.

☐

I am satisfied with the current parent / teacher program and times

☐

I would prefer a longer interview time eg 15 minutes

☐

I would like a break between interviews eg 5 minutes

Additional comments and ideas appreciated
