Open Day

Staff and students are grateful to the family and friends who visited the school last Friday to participate in Open Day activities. It was lovely to see so many of the 'Heroes' and so very interesting to read the student's hero badges.

Kindergarten / Year 1

Melanie Durnan

Our sound focus in K/1 this week is **th** as in feather. Kindergartens sight words this week are **she** and **love**, turtle group will focus on **mum** and **read**; Year One's words are **list 22**.

Last week we focused more on subtraction, so this week our focus will shift to addition as well as continuing to look at chance.

This Wednesday is our first dance lesson for the term, Yay! Please make sure notes and money is all in by Monday if you are paying week to week. Children now have two days this term to wear sport, which is Wednesday and Friday.

It was wonderful seeing so many families and extended families at school last week for Education Week. Children were very proud of their families coming in to see what they do in the classroom and were excited to show them around their classroom and school. Thank you for coming, please come at any time, not just open days.

Our star student who has received 10 stars on her chart this week is Eva-Leigh, well done Eva. We also have our first student to receive 20 stars this term, congratulations Natalie. Keep up the wonderful work K/1!

Year 1 / 2

Emma Byles, Jolonna Brand

It was wonderful to see so many visitors in our classroom last Friday to participate in the activities celebrating Education Week. The children put a lot of effort and thought into making the medal for their local hero and I know they were super excited to see them being worn with such pride.

This Wednesday the children will begin learning their dance routine for Gala Night. Year 1 and 2 both have separate dances to learn. The times are outlined below - please ensure your child wears their sports uniform for movement and comfort.

Week Ahead

Monday	PD/Health Child Protection - Protective Strategies
Tuesday	Art (Mrs Fraser)
Wednesday	Scripture, Assembly Year 2 Dance 10:40am-11:10am Year 1 Dance 12:00pm-12:30pm
Thursday	Library (Mrs Eulenstein)
Friday	Sport

Congratulations to all children who completed their home learning last week. Please remember that all children need to complete the compulsory activities (home reading, news plan, spelling words, Maths column A) and it is up to parents and carers to determine if the additional activities are to be completed.

In spelling we are focusing on **t** **tt** in **tiger** **but****tt**on. In maths we will be working on adding numbers and writing equal number sentences, identifying and continuing number patterns, describing position and giving directions and measuring area.

Thank you to Molly and Roqaya for being excellent classroom leaders last week.

Welcome back Katelyn!!!!

Year 2/3

Joanne Malmo

We had a wonderful time on Friday as we celebrated Education Week. The students thoroughly enjoyed sharing their classroom with family and friends, it was a wonderful experience. Thank you to Mrs Terlich for teaching the class yesterday in my absence, she had a wonderful day! The students have been asked to write an information report about an endangered animal, this can be presented in any format, however the required information must be included. The report is due on Friday 14th August. This is the date of the Bernie O'Connor carnival, so I suggest that the students hand it in on Thursday 13th. A number of students have failed to be consistent with their homework this term, it is essential for all students to complete and return all tasks by Friday morning.

We begin dancing lessons this week with Teneale Jones. The Year 2 students will have their lesson at 10.40—11.10 and the Year 3 students will have their lesson at 11.10—11.50. The Year 3 students will be offered an extended recess in the rose garden. Please ensure that your child has returned their permission note and payment for the Bernie O'Connor carnival to be held on Friday 14th August.

We have assembly this Wednesday.

Happy birthday to Annabell for Thursday.

Classroom leaders: Jayden and Jai

Year 4

Julie Clancy/ David Pickett

It was so great to see so many local heroes join us in the classroom last Friday to celebrate Education Week. There were so many big smiles in the classroom and it was fantastic to see our heroes stick around for the tabloid sports and picnic lunch. Thank you to Mrs Liston for her detailed planning for the day.

In the classroom, we are learning the ir (as in bird), ur (as in nurse), or (as in world) and er (as in fern) sounds in spelling. We have practised recording facts from online sources and organising the facts into sequenced paragraphs (fossil fuels) - continuing our study of informative text. We will now focus on using factual language in our writing (eliminating opinions) and observing the language features appropriate for informative text. We are looking at a number of strategies to help us add and subtract in the classroom (pen & paper, mental strategies and rounding).

Please don't forget to wear your sports uniform tomorrow for our first dancing session.

Evee and Blake have volunteered to be our classroom leaders for the week.

It was terrific to see so many parents and families visit our school on Friday for Education Week and our celebration of Local Heroes. We love having you come visit our classroom and school and hope you enjoyed it as much as we did.

In Geography we are look at Global Connections and as part of the focus we are exploring what global connections Australia has and what the expectations are for us as global citizens. This connects in with our homework task at this term, understanding the world around us and our place in it.

Welcome back to Jessica from her travels, we are looking forward to hearing all about her time away. We now have all class members back following a number of students also away on travelling. We hope to hear about their experiences too.

Just a reminder to all families, please label all your clothing as we have so many items lost and without names cannot find the owners. This is especially important when we travel to sporting events as many other schools have similar clothing colours.

There will be a slight change to the Rotary Club Spelling Be but with and extension of the dates.

Our in school challenge will take place on Mornay 10th August with the inter school challenge on Monday 17th August. I hope all the students who wish to participate are practising, they do not have to do their weekly spelling this week, just focus on the Rotary list words.

We are very excited about the commencement of Dance this week and the lead up to our Gala Day and Night, it promises to be a lot of fun. Staff are already working on their dance.

IT IS UNFORTUNATE THAT SOME STUDENTS WILL HAVE A LOT OF TIME BETWEEN THEIR PRESENTATIONS, SO I HOPE FAMILIES MAY BE ABLE TO WORK TOGETHER TRANSPORTING THE CHILDREN. I PLAN TO BE IN ALBURY FROM MONDAY EVENING UTIL SATURDAY NIGHT BUT WILL MOSTLY BE BUSY HELPING WITH VARIOUS DUTIES IN THE RUNNING OF THE FESTIVAL. I DO, HOWEVER, HOPE TO WATCH MY STUDENTS PERFORM. BEST WISHE TO ALL AND I HOPE IT IS A FUN LEARNING EXPERIENCE. GRACE STEIN
