Our sincerest thoughts are extended to Annie Welsh and her family following the tragic loss of their father. Annie has been a valued volunteer at our school for a number of years.

Welcome

Welcome to the 2016 school year. We welcome the Batty, Hutcheson, Hmud, Kotzur, Parker, Botica, Senior and Bullock families and invite them to be active members of our school community. Thank you to those parents who have ensured that their children are ready to commence the school year by organising the appropriate classroom supplies and for returning permission notes promptly.

Congratulations to our 2016 School Captains, Annelise Bedggood and Patrick Malmo and Vice Captains, Genevieve White and Connor Murphy, who are eagerly looking forward to leading our school this year.

Regards, Theresa

P & C NEWS

Everyone is welcome to come along to the P&C meetings to contribute to the discussions and/or participation in the school. P&C Meetings are a place to find out what is happening in the school, gain a better understanding of curriculum, school policies and activities. Actively participating in the P&C is a great way to meet other parents and provide input into your child's future at Henty Public School.

Our fundraising efforts are concentrated around Henty's major annual event, the Henty Machinery Field Days. Over the years the P&C together with the school has been able to raise funds to purchase smart boards in all classrooms and numerous other projects which have directly benefited the children who attend our school. The P&C determines its level of involvement and commitment to the school based on the School Principal's plan for the year and what the teaching staff would like to achieve.

Meetings are held on Wednesday evening in week 2 and week 8 of each term. It is here that we make decisions about funding priorities, activities and operations for the year. The school principal gives an update on school matters that concern the school community.

If you are interested in joining the P&C or assisting with any of our events you are welcome to come along to a meeting. New members to the P&C are always welcome and encouraged. We hope to attract a cross-section of the school community, with the idea that different people are able to contribute in different ways.

The P&C Executive are President Jenny Zweck, Vice President Geoff Roulston, Secretary Willow Alieto and Treasurer Teneal Jones. Should you wish to find out further details or have any questions or issues, please contact any of the executive members. The first meeting of the P&C is this Wednesday 3rd February at 7.30pm in the school library. Your support would be greatly appreciated!

SPEECH LESSONS

I plan to teach Speech and Oral Communication at HPS again in 2016, and will be happy to work with students I taught last year. I am also pleased to take on board any students who have been mentioned to me late last year as wanting to commence work with me. I would like it if these children could be enrolled by filling out the Application Form below. Please note there is a slight increase in fees to \$18 /lesson.

Depending on numbers, I may be able to fit in a few extra students. If you would like your child to begin speech lessons you may like to call me for a chat on 0427 889 599, or else just fill out the form. Preference will be given to those who will present for ASCA Exams and/ or Eisteddfod.

Looking forward to a happy school year.
