P & C Welcome BBQ

We look forward to seeing families at the P & C Welcome BBQ tonight from 6pm. Please don't forget plates, cutlery and a salad to share.

Sun Safety

Our school takes sun safety seriously and implements a number of strategies to protect students from the damaging effects of the sun. This includes ensuring that students wear school hats in the playground, if possible, play in shaded areas and have the opportunity to apply sunscreen. Sunscreen will be made available in all classrooms. Parents must sign the consent note included with this Kalori before students can use the sunscreen available at school.

Talent Shines

Congratulations to Nick Newton who has been selected to participate in the Riverina Cricket Trials in Albury on 29th Feb, following his success at the pre-selection trials last week. Nick together with Samuel Male will also trial for the Riverina Tennis Team in Griffith on 26th Feb. Samuel was seeded as No.1 and Nick as

No.4 seed. An excellent effort by both boys.

Regards, Theresa

Kinder/1

Claire Ross

This week we are exploring the sounds 't' as in tiger, 'I' as in igloo and 'f' as in fish. Our sight words this week are 'me' and 'to'. Well done to those students who have already started to practice their sight words at home.

Daily news has started this week; each student received a news outline and news plan on Friday to complete for their weekly news. News plans will be handed out each Friday. Home reading will begin next week, please send all home reading folders into the classroom daily.

Could all students please bring in a labelled pair of headphones. These will be kept in student tubs and used for listening and reading activities each day.

I look forward to seeing all families at the P & C Welcome BBQ tonight.

Year 1/2

Emma Byles / Lucinda Eulenstein

Congratulations to everyone for their efforts during tennis. It was wonderful to see so many smiling faces and seeing every child participate to the best of their ability.

This week spelling and maths home learning tasks have started. Please read the note in your child's home learning book for details about the compulsory and additional tasks that have been set. It has been wonderful to see lots of children reading every night completing their news plans.

Please remember if you have any questions/concerns/comments please drop by the classroom.

Thank you Dana and Tamara for being our class leaders last week.

Class Notes

Year 2/3

Jolonna Brand / Theresa Kane

Spelling Challenge-Students have been given a specific number of spelling words to practice for homework. Every time a student gets 100% in their spelling test for two consecutive weeks their words will be increased.

Congratulations to the students who have completed their homework promptly and with pride. An outstanding effort!

Year 4/5

Mary Liston

Well done to our class for their efforts in homework last week, it was terrific. Lets see if we can keep it up!

Our Maths and reading groups are up and running well. It's nice to have all of our year 5 cohort together at times..

Our history topic is " First Contacts" for Year 4 and " Australia as a Nation" for Year 5.

Good luck to all students competing in the SR swimming carnival on Friday.

Year 5/6

Joanne Malmo

We are beginning a history topic " Australia as a Nation" and to support the syllabus the whole class is reading "The Happiest Refugee" by Anh Do.

All students have been asked to bring headphones/earphones for reading groups and we also need a variety of paper for our science investigations.

Homework is due on Thursday. There is a reward at the end of each term for students who have returned their homework every week.

Band has begun this year and the students are welcome to take their instruments home once the band fees have been paid.

Good luck to all the students who are attending the SR swimming carnival on Friday.

Health Warning

Cryptosporidiosis is a diarrhoeal disease and there have been outbreaks linked to public swimming pools in the state. Parents and carers are advised that children who have diarrhea in the previous **2 weeks** should avoid swimming pools.

Aboriginal Education Consultative Group Meeting Dates

There were two notes sent home with the Kalori last week.

- If you are willing to transport students to school events, it is compulsory for the school to have specific documentation from you.
- The school is again taking part in the ICAS assessments for 2016. This testing can help benchmark, track and monitor learning progress. It can also help identify potentially gifted students and allow us to work together to identify areas where your child can work to reach their full potential. The assessments are for students from years 2 to 6.

Please hand these notes in as soon as it is convenient.

School Choir will commence next week on Wednesday 24th February from 3pm to 3.25pm

Choir lessons will be held every second Wednesday when there is no assembly.

PARENT INFORMATION SESSIONS

During week 6, parent information sessions will be held. To ensure that the sessions address areas of interest, please answer the questions below and return the note to school prior to Tuesday 23rd February.
