Carnival will be held on Friday 9th  
September.

### **Celebrate Attendance BBQ**

On Wednesday the school will stop to celebrate our attendance and recognise the efforts of all students to ensure their maximum attendance at school. Nathan Honeyman, HSLO, will speak to students and our Year 6 students will share some of their research on school attendance. The children will enjoy a barbeque following the session.

**Missing school leaves gaps in your education**

### **Consultative Decision Making**

Henty Public School realises the importance of building relationships with parents and the wider community. Schools do not exist in isolation from their communities. As part of our common vision and purpose we seek your input and feedback regularly. Currently we are involved in seeking parental and student input about our *Reports*, to inform school directions. Please take the time to complete the survey, we value your input. Thanks to those who completed the survey at the athletics carnival.

Regards, Theresa

**Mission Statement:** Quality Teaching, Quality Learning for all in a safe, happy and supportive environment.

### Kinder/1

Claire Ross

Please come along and join us on Friday for our Infants Athletics Carnival, starting at 12:30pm. We look forward to seeing you there.

This week sight words are **where** and **up**. I have also sent home lower case letter cards, please use these to revise letter identification including; the letter name and what sound it makes during home learning. I will send home upper case letters in the coming weeks.

Well done to the Year 6 Peer Support leaders, Kindergarten have enjoyed the first two peer support sessions. Peer Support is focusing on Resilience this term.

Tomorrow, we will be celebrating great student attendance at school by having a free BBQ lunch. Students are encouraged to still bring extra food in case they are still hungry.

### Year 1/2

Emma Byles / Lucinda Eulenstein

Congratulations to all the children who participated in their first athletics carnival last Friday. From all reports everyone did their best and enjoyed the experience of trying the different events.

#### INFANTS ATHLETICS CARNIVAL ... FRIDAY 27 MAY, 12:30PM

Just a reminder, once again, to please have all uniform clearly labelled. It just saves lots of confusion about ownership and if something does go missing it certainly increases the chance of it being found.

In spelling this week we will be focusing on ee=bee, e=me, ea=seat, y=baby, ey=money and in maths we will be continuing to develop and test our knowledge of identifying and completing number patterns. Please ensure your child is completing their compulsory home learning activities - especially their nightly reading and news plans.

Thankyou Macey and Mia for being our excellent class leaders last week.

## Year 2/3

Jolonna Brand / Theresa Kane

This week all children have been investigating items that can be either recycled or thrown out. Children have been asked to bring 'rubbish' to school which will be used as part of our investigation. Please ensure the rubbish is clean.

Speeches have been included as a component of the home learning for the next two weeks. Children in Year 2 can select a topic of their choice although children in year 3 are preparing speeches for the Multicultural Public Speaking Competition and they have a specific list of topics to select from. If you have any questions please contact us for further information.

## Year 4/5

Mary Liston

Comprehension is looking at inferential information in texts; families of all students should discuss *reading between the lines* with their child and give them some examples if possible to strengthen their understanding.

Home Learning hasn't been as productive as hoped for last few weeks, and we have had lots of disruptions but we are hoping everyone will be back on track this week.

Well done to Lily, Safi, Harry and Angus who participated in the Lions Club debate yesterday, while they were not the winning team they should be very proud of their efforts and received some very positive feedback from the adjudicator. Konnar was our public speaker, and entertained us all with his take on "If I could have super powers, I would choose to have the ability to ....."

Many students have depleted school supplies and are in need of the basics, please check with your child so they are fully prepared for learning.

## Year 5/6

Joanne Malmo

Congratulations to Thomas, Jinda-Lee, Annelise and Anna, on a fabulous winning debate yesterday, and to Eli who presented an entertaining speech. Thanks to Jessica and Troy for chairing and timing the debates. There will be a Premier's debate this Thursday, good luck to those debaters.

The school athletics carnival was a great success last Thursday, congratulations to all competitors and to our budding photographer, Grace Wilson! We wish Nicholas and Samuel well at the State football carnival this week.

A squad of 9 girls from Year 5/6 has been selected for the netball knockout this Friday at Culcairn, I will be attending with the girls. The house captains will be assisting the infants at their athletics carnival this Friday at 12:30.

In science this week, we will begin our new topic, Built Environments. The Year 6 students will begin publishing the Creative Catchment Kids book. In history, we are continuing to learn about Federation and the events leading up to this historic event.

## Australian Government Mobile Service Centre
