## Principal's Message Gala Night

Congratulations to all our wonderful students and staff for all your efforts in presenting our Gala Night production of 'Matilda' last week. It was a sensational show with reviews from our school community being outstanding. To everyone who supported our concert and to those who went out of their way to praise this year's production, thank you. It really did make our performers and production team feel fantastic.

## Henty Machinery Field Days

Thank you to our volunteers who have been involved behind the scenes, giving up your time to support our school. It has been amazing to see what goes on before and during the field days to help make them a success. I have enjoyed meeting some great members of the community and listening to some amazing stories while making numerous sandwiches.

## Internships

Well done to Mrs Jane Wailes and Miss Rhiannon Daley who have completed their internships. They have been a great addition to our school and we wish them all the best in the future.

## Holidays

As we prepare for the holidays I would like to take this opportunity to thank the staff, students and school community for the term. It has been both productive and rewarding. I wish all families a safe and restful holiday. School resumes Monday 10th October.

Regards, Mr Justin Graham

# CLASS NOTES

## Kindergarten - Claire Ross

Thank you to all our family and friends for supporting our Gala Night last week. The students did an amazing job, we were all very proud. Don't forget to order your DVD!

On Thursday, the Athletes Foot will be visiting in the morning to give K-2 students shoe lace tying up lessons.

Please remember to read and practise sight words daily during the holiday break. During the holidays I would appreciate supplies to be restocked ready for Term 4, this includes lead pencils & glue sticks.

I hope everyone has a relaxing and restful break.

## Year 1 / Year 2

### Emma Byles / Lucinda Eulenstein

Firstly ... CONGRATULATIONS!!! Every child should be extremely proud of their participation in Gala Night. The singing and dancing was AMAZING!!! I would also like to thank Millie Bedggood for being a valuable part of our classroom during Week 8. Millie was on work experience from Billabong High and her professionalism and enthusiasm was greatly appreciated.

This week, in the classroom, we are continuing as normal as possible with all that is happening with the Henty Field Days. It has certainly been a hectic end to the term. All the children in Year 1/2 should be extremely pleased with their efforts in the classroom this term and I know they will enjoy their well-deserved holiday break. Have fun and keep safe.

## Year 2 / Year 3

### Jolonna Brand/Jane Wailes

What a busy term we have had!

This week we are revising what we have learnt in maths and completing book reviews in literacy. I would like to thank the parents, carers and my students for making my term here so enjoyable. My internship comes to an end this Friday and we are having a class party to celebrate a great term. A separate note will go home with more information.

## Year 4 / Year 5 - Mary Liston

End of term and everyone is ready for a rest following our Gala Performances and a busy term. Well done to all the students who participated and enjoyed the events and a big thank you to Miss Byles, Miss Ross and Mrs Malmo who did so much work behind the scenes.

We have been working on revision of numeracy topics this week as well as Patterns and Algebra. Time is an area that continues to pose challenges and as much practice as possible is ideal. Please take the time, no pun intended, to discuss and practise it with your child. Orienteering will take place this Friday and will be the last in our sessions.

I hope everyone has restful break and remember return to school is Monday 10th October.

## Year 5 / Year 6 - Joanne Malmo

The Year 5 students bid farewell to Miss Daley last week as she finished her internship. We hope to see Miss Daley back at Henty Public School as a paid employee! Well done to all students for the fine performance you put on for the Gala production last week. I am so proud of all the students who worked hard to entertain our school community. The Year 5 students performed an impressive dance routine and the Year 6 students were superb in their roles. Today the Year 6 students attended the launch of the Creative Catchment Kids book at the Henty Machinery Field Days. Sussan Ley was most impressed with the book and spent time discussing the contents with the students. I wish you all a restful break and look forward to seeing everyone next term.

## FOOTY COLOURS DAY SHOW YOUR TRUE COLOURS!

**This Friday 23rd September**

Come dressed in your favourite footy colours and  
join the fight against cancer by bringing a gold coin  
donation. We will raise funds for the Fight Cancer  
Foundation to support children and young people  
living with cancer so they may continue their  
education.

### Speech Exam Results

Well done to all students who competed in the  
Australian Speech & Communication Exams recently.  
Under the guidance of Mrs Stein, all students achieved  
excellent results with all obtaining a credit or higher.  
Many also gained a high distinction. Some students  
also competed in the recent Wagga Eisteddfod and  
also achieved excellent results.

Congratulations to Mrs Stein and all students involved.

### Summer School Uniform

Summer school uniforms are to be worn in term 4.  
Summer school dresses are made locally and are  
\$47.00 each. For school dress orders please contact  
Abi Meyer on 0427 245 434.

Just a reminder that there is also clothing available in  
our clothing pool.

### HATS ARE ALSO COMPULSORY IN TERM 4!

No hat, play in the shade.

### Vegetable Garden Donations

We are currently undertaking a project to revamp the  
vegetable garden at our school. To get this project  
up and running we need your help please. We are  
asking for a few items to be donated to assist us. If  
you are willing to donate any of the following items  
and assist with refilling the gardens with soil please  
speak to Mrs Brand at school on behalf of us.

\*soil \*mulch (hay/straw)

\*seedlings \*worm farm

Thank you

Georgia, Henry, Heidi and Saige
